What's Inside?

This jam-packed resource contains over 70 pairs of skill-specific language arts and math practice pages. Each pair consists of one practice page that is on grade level and one practice page that is on a lower level, each with the same title and identical or very similar art. To help you easily identify the page you need, the page number for the lower-level reproducible is shown in a black circle.

How to Use

Provide differentiated skills practice for your students.

1. Scan the table of contents on pages 2 and 3 to find the skill you need.
2. Determine which practice page best suits your needs, or use both!

Use *Leveled Skill Builders* practice pages for the following:

- small-group practice
- independent practice
- whole-group practice
- remediation
- enrichment
- differentiated homework
- centers
- tutoring
