A comprehensive academic curriculum for students with cognitive disabilities, grades 7 — adult  
Grades 7 - adult

Getting Real Program is a comprehensive academic curriculum for students with cognitive disabilities, grades 7 — adult. The pre-test, instruction and post-test sequence is ideal for IEP success. The 120 daily worksheets are linked to the tests and provide long-term relevant instruction in language arts, math and life skills. Developed by Debbie Semple and Shelia Lechler and implemented in their classroom for 15 years, the program emphasizes functional skills that can be used everyday, like money, time, survival words, check writing, following a calendar and dozens more. Worksheets and tests can be photocopied or printed from the CD-ROM. Spiral bound book, 325 pgs., includes a Win/Mac CD with printable PDF, 2004. Supplement with [Getting Real Manipulatives](#).
